Detailed Action

Response to Amendment

- The reply filed on May 3, 2005 was applied to the following effect: Claims 1,6,9, and 10 have been amended and Claim 2 has been cancelled.

Claim Rejections - 35 USC § 102

1. All relevant rejections are withdrawn as being satisfied.

Reasons for Allowance

2. Claims 1 and 3-10 (renumbered as 1-9) are allowed.
3. The following is an examiner's statement of reasons for allowance:

This application is for a disk drive apparatus.

- **Claim 1** specifies a disk drive apparatus, which requires:

"...a supporting arm having at least a higher rigidity than a gimbal portion and having a head facing the recording medium at one end via the gimbal portion, the supporting arm being rotatable about a bearing section at the other end of the supporting arm in a direction perpendicular to a recording face of the recording medium, a load-applying means for applying a load to the supporting arm in a direction for approaching the head to the recording medium ..."

These features, in combination with the other features of Claim 1, are not anticipated by, nor made obvious over, the prior art of record.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
